// WELLNESS ASSESSMENT RESULTS 2024

Our Triennial Wellness Assessment Results 2024

1. Policy Compliance Results

Our Team:

Shawn Wehenkel
Shane Keeling

Holly Rieschick
Sara Toedman

Areas of Strength:	<p>1. Auburn Public Schools provides physical education classes and activity opportunities that are available for all students throughout the school year.</p> <p>2. Teachers make a conscious effort to give students breaks during classroom periods so they do not sit for the whole class period.</p> <p>3. We give opportunities for social-emotional help throughout the school year.</p>
Opportunities for Improvement	<p>1. Auburn Public Schools will look into adding a wellness session to our vector training.</p> <p>2. Auburn Public Schools will consider selling healthy snack options at the new school store.</p> <p>3. Auburn Public Schools continues to examine options for providing social-emotional resources for students, staff, and parents.</p>

2. Wellness Policy Goals:

- Auburn will provide students with healthy food choices throughout the day.
- Auburn will continue to provide multiple physical education classes, activities, and wellness classes for our students.
- Auburn will continue to provide help and support for our students, staff, and parents and their social-emotional needs.

Moving Forward:

Auburn Public Schools will continue to offer different physical activities and healthy snacks and ensure that we stay aware of our district's social-emotional needs. We will promote our wellness committee and nutrition on all digital displays throughout our District.
